SUMMARY

Hospital Corpsman First Class with ten years of United States Navy medical experience across shipboard, expeditionary and clinical settings. Led a 14-Sailor medical department aboard a guided missile destroyer. Provided independent duty care to 300+ personnel with no medical evacuations. Pursuing a civilian role as a physician assistant, clinical supervisor or emergency department technician while completing prerequisites.

MILITARY EXPERIENCE

UNITED STATES NAVY 2014 - 2024
Hospital Corpsman First Class (HM1, E-6), NEC L01A (IDC)

Leading Petty Officer, Medical Department 2021 - 2024
USS Stockdale (DDG-106), San Diego, CA

- Led a 14-Sailor medical department supporting a crew of 320 through two Western Pacific deployments.
- Served as Independent Duty Corpsman with authority to assess, treat and determine disposition without a physician aboard.
- Managed the ship's medical readiness program, sustaining 98% medical and dental readiness against a fleet standard of 90%.
- Ran the shipboard immunization, hearing conservation, and heat stress surveillance programs.
- Maintained controlled substance custody and accountability with zero discrepancies on eight consecutive inventories.
- Coordinated three medical evacuations at sea, including one helicopter transfer of a casualty with a suspected cardiac event.

Field Medical Corpsman 2018 - 2021
1st Marine Division, Camp Pendleton, CA

- Provided combat casualty care and routine sick call for a 180-Marine infantry company in garrison and in the field.
- Trained 120 Marines in Tactical Combat Casualty Care and Combat Lifesaver skills.
- Managed the company medical supply block, ordering and inventorying Class VIII materiel.
- Deployed to Okinawa, Japan in support of the Unit Deployment Program.

Hospital Corpsman, Emergency Department 2015 - 2018
Naval Medical Center San Diego, CA

- Triageed and treated patients in a 40-bed emergency department averaging 110 patients per day.
- Performed phlebotomy, IV starts, EKGs, wound care and splinting.
- Assisted physicians with procedures including lumbar punctures, chest tube insertions and laceration repair.
- Precepted six junior corpsmen through emergency department orientation.
